A *highly gifted student* is one who has achieved a measured intelligence quotient of 150 or more points on an assessment of intelligence administered by qualified personnel or has demonstrated extraordinary aptitude and achievement in language arts, mathematics, science, or other academic subjects, as evaluated and confirmed by both the student's teacher and Superintendent/Principal. Highly gifted students shall generally constitute not more than one percent of the student population. (Education Code 52201)

A *special day class* for gifted and talented students consists of one or more classes totaling a minimum school day where each class: (5 CCR 3840)

1. Is composed of students identified as gifted and talented
2. Is designed to meet the specific academic needs of gifted and talented students for enriched or advanced instruction and is appropriately differentiated from other classes in the same subjects at the school
3. Is taught by a teacher who has specific preparation, experience, personal attributes, and competencies in the teaching of gifted children

A *cluster grouping* is one in which students are grouped within a regular classroom setting and receive appropriately differentiated activities from the regular classroom teacher. (5 CCR 3840)

Independent study provides additional instructional opportunities supervised by a certificated district employee through special tutors or mentors or through enrollment in correspondence courses specified in Education Code 51740 and 5 CCR 1633. (5 CCR 3840)

AR 6172(b)

GIFTED AND TALENTED STUDENT PROGRAM (continued)

(cf. 6158 - Independent Study)

Acceleration means that students are placed in grades or classes more advanced than those of their chronological age group and are provided special counseling and/or instruction outside the regular classroom in order to facilitate their advanced work. (5 CCR 3840)

(cf. 5123 - Promotion/Acceleration/Retention)

Enrichment activities are supplemental educational activities that augment students' regular educational programs in their regular classrooms. Students use advanced materials and/or receive special opportunities from persons other than the regular classroom teacher. (5 CCR 3840)

Program Coordinator

The Superintendent/Principal or designee shall appoint a district coordinator for the gifted and talented education (GATE) program who has demonstrated experience and knowledge in gifted education and/or has opportunities to gain or continue such experience and knowledge.

(cf. 4131 - Staff Development)

(cf. 4331 - Staff Development)

Responsibilities of the district's GATE coordinator shall include program development and implementation, identification procedures, fiscal management, and the collection of auditable records for evaluation. (Education Code 52212)

The Superintendent/Principal or designee also may appoint a GATE coordinator who shall be responsible for implementation of program services at that school site.

Program Plan

The Superintendent/Principal or designee shall develop a written plan which describes the differentiated curricula for the program and the methods used to examine the appropriateness of participating students' total educational experience. The plan shall include the components specified in 5 CCR 3831. (5 CCR 3831)

Whenever the school's GATE program is incorporated into School-Based Program Coordination, its school site council shall address the needs of GATE students within the school's single plan for student achievement. (Education Code 52853, 64001)

(cf. 0420 - School Plans/Site Councils)

(cf. 0420.1 - School-Based Program Coordination)

AR 6172(c)

GIFTED AND TALENTED STUDENT PROGRAM (continued)

Identification of Gifted and Talented Students

The Superintendent/Principal or designee shall design methods to seek out and identify gifted and talented students from varying linguistic, economic, and cultural backgrounds whose extraordinary capacities require special services and programs. (5 CCR 3820)

Students may be recommended for the GATE program by administrators, teachers, counselors, other staff, or parents/guardians. Parent/guardian consent shall be obtained before administering any assessments for the sole purpose of identifying students for this program.

Students shall be selected for the program based on their demonstrated or potential ability for high performance in categories identified by the Board, as evidenced by any of the following indicators: (5 CCR 3823)

1. School, class, and individual student records
2. Individual tests, including summary and evaluation by a credentialed school psychologist
3. Group tests
4. Interviews and questionnaires of teachers, parents/guardians, and others
5. Student products
6. Opinions of professional persons

(cf. 5121 - Grades/Evaluation of Student Achievement)

(cf. 6162.5 - Student Assessment)

(cf. 6164.2 - Guidance/Counseling Services)

Final determination of a student's eligibility shall be made by the Superintendent/Principal or designee. (5 CCR 3824)

The Superintendent/Principal or designee shall base his/her decision upon the evaluation of pertinent evidence by the Superintendent/Principal or designee, a classroom teacher familiar with the student's work, and, when appropriate, a credentialed school psychologist. An individual recognized as an expert in the gifted and talented category under consideration, and/or an individual who has in-depth understanding of the student's linguistic or cultural group, shall participate in the evaluation of the evidence unless there is no doubt as to the student's eligibility. These persons may review screening, identification, and placement data in serial order and shall be required to meet only as necessary to resolve any differences in assessment and recommendations. (5 CCR 3824)

AR 6172(d)

GIFTED AND TALENTED STUDENT PROGRAM (continued)

In reviewing evidence of a student's abilities, the Superintendent/Principal or designee also shall consider the economic, linguistic, and cultural characteristics of the student's background and, when appropriate, studies of the factors contributing to the student's underachievement, including handicapping or disadvantaged conditions. (5 CCR 3823)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 6174 - Education for English Language Learners)

Prior to a student's participation in the program, the Superintendent/Principal or designee shall obtain written consent from the student's parent/guardian. (5 CCR 3831)

If the Superintendent/Principal or designee determines that a student is not eligible, the student's parent/guardian may appeal the decision. The Superintendent/Principal or designee may use a committee, including the district's GATE coordinator and certificated personnel, to review the student's evidence and determine whether the initial identification decision should be reversed.

The Superintendent/Principal or designee shall consider identifying for the district's GATE program any student who has transferred from another district in which he/she was identified as a GATE student. (Education Code 52202; 5 CCR 3831)

Because students who do not initially meet district criteria for the GATE program may become eligible at a later grade level, the district may re-examine student eligibility whenever the district receives a referral through the process noted above or the Superintendent/Principal or designee determines it to be in the student's best interest.

Once identified as a GATE student, a student shall remain eligible even though services provided to the student may change.

EDUCATION FOR ENGLISH LANGUAGE LEARNERS

The Board of Trustees intends to provide English language learners with challenging curriculum and instruction that develop proficiency in English as rapidly and effectively as possible in order to assist students in accessing the full educational program and achieving the district's academic standards. The district's program shall be based on sound instructional theory and shall be adequately supported so that English language learners can achieve results at the same academic level as their English-proficient peers in the regular course of study.

The Board encourages staff to exchange information with staff in other districts and the county office of education about programs, options and strategies for English language learners that succeed under various demographic conditions.

(cf. 4112.22 - Staff Teaching Students of Limited English Proficiency)

The Superintendent/Principal or designee shall maintain procedures which provide for the identification, assessment and placement of English language learners and for their redesignation based on criteria adopted by the Board and specified in administrative regulations.

To evaluate program effectiveness, the Superintendent/Principal or designee shall regularly examine program results, including reports of the English language learners' academic achievement, their progress towards proficiency in English and the progress of students who have been redesignated as fluent English proficient. The Superintendent/Principal or designee shall annually report these findings to the Board and shall also provide the Board with regular reports from any district or schoolwide English learner advisory committees.

(cf. 6190 - Evaluation of the Instructional Program)

Type of Instruction

Students who are English language learners shall be educated through "sheltered English immersion" or "structured English immersion" during a temporary transition period not normally intended to exceed one year. "Nearly all" of the classroom instruction in the district's sheltered English immersion program shall be in English, but with the curriculum and presentation designed for students who are learning the language. (Education Code 305, 306)

The district has defined the term "nearly all" as follows:

To provide that all classroom instruction be conducted in English, except for clarification, explanation, English Language Development, Dual Immersion, and additional support as needed. In addition, the district shall provide an alternative K-3 bilingual program.

BP 6174(b)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

When an English language learner has acquired a reasonable level of English proficiency as measured by any of the state-designated assessments approved by the California Department of Education or any locally developed assessments and using other criteria developed by the district, he/she shall be transferred from a structured English immersion classroom to an English language mainstream classroom in which the instruction is "overwhelmingly" in English. (Education Code 305; 5 CCR 11301)

An English language learner has acquired a "reasonable level of English proficiency" when he/she has achieved the following:

1. Ability to compete effectively with English-speaking peers in mainstream academic classes.
2. Performance on CELDT described as "English proficient"
- 3/ Performance on CST/ELA at proficient level or above

(cf. 6011 - Academic Standards)

(cf. 6162.5 - Student Assessment)

(cf. 6171 - Title I Programs)

Upon the request of his/her parent/guardian, a student shall be placed in an English language mainstream classroom. (5 CCR 11301)

Parental Exception Waivers

At any time during the school year, the parent/guardian of an English language learner may have his/her child moved into an English language mainstream program.

Parent/guardian requests for waivers from Education Code 305 regarding placement in a sheltered English immersion program shall be granted in accordance with law and administrative regulation.

If the Superintendent/Principal or designee denies the waiver request, he/she shall provide a written justification to the parent/guardian describing the reasons for the denial. A parent/guardian may appeal the Superintendent's decision in writing to the Board. The Board may consider the matter at its next regular Board meeting. The Board may decide not to hear the appeal, in which case the Superintendent's decision shall be final. If the Board hears the appeal, the Superintendent/Principal shall send the Board's decision to the parent/guardian within seven working days.

Bilingual education/native language instruction means a language acquisition process for students in which much or all instruction, textbooks, and teaching materials are in the student's native language. (Education Code 306)

Identification and Assessment

Upon enrollment, each student's primary language shall be determined through use of a home language survey. (5 CCR 11307)

Within 30 calendar days of their initial enrollment, students who are identified as having a primary language other than English, as determined by the home language survey, and for whom there is no record of results from an English language development test shall be assessed using the California English Language Development Test (CELDT). (5 CCR 11511)

All students shall have sufficient time to complete the CELDT as provided in the directions for test administration. (5 CCR 11516)

Any student with a disability shall take the CELDT with those accommodations for testing that the student has regularly used during instruction and classroom assessment as delineated in the student's individualized education program (IEP) or Section 504 plan that are appropriate and necessary to address the student's individual needs. (5 CCR 11516.5)

(cf. 6159 - Individualized Education Program)

(cf. 6164.6 - Identification and Education Under Section 504)

AR 6174(b)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

The district shall notify parents/guardians of their child's results on the CELDT within 30 calendar days. (5 CCR 11511.5)

(cf. 5145.6 - Parental Notifications)

Within 90 days of initial enrollment, students identified as having limited English proficiency shall be further assessed for primary language proficiency in comprehension, speaking, reading and writing. The Superintendent/Principal or designee shall develop criteria for determining student needs on the basis of these assessments. (former Education Code 52164.1, 62002)

Before students are enrolled in a program for English language learners, parents/guardians shall receive information about the program and their opportunities for parental involvement. This information shall include the fact that an individual student's participation in the program is voluntary on the part of the parent/guardian. (Education Code 52173)

Not later than 30 calendar days after the beginning of the school year, each parent/guardian of a student participating in, or identified for participation in, a language instruction program supported by federal Title III funds shall receive notification of the assessment of his/her child's English proficiency. The notice shall include all of the following: (Education Code 440; 20 USC 6312)

1. The reason for the student's classification as English language learner
2. The level of English proficiency
3. A description of the program for English language development instruction, including a description of all of the following:
 - a. The manner in which the program will meet the educational strengths and needs of the student
 - b. The manner in which the program will help the student develop his/her English proficiency and meet age-appropriate academic standards
 - c. The specific exit requirements for the program, the expected rate of transition from the program into classrooms not tailored for English language learner students, and the expected rate of graduation from secondary school if Title I funds are used for students in secondary schools
 - d. Where the student has been identified for special education, the manner in which the program meets the requirements of the student's IEP

AR 6174(c)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

4. Information regarding a parent/guardian's option to decline to allow the student to become enrolled in the program or to choose to allow the student to become enrolled in an alternative program

5. Information designed to assist a parent/guardian in selecting among available programs, if more than one program is offered

Parent/guardians also shall be notified of the results of any reassessments. (Education Code 52164.3)

Parental Exception Waivers

At the beginning of each school year, parents/guardians shall be informed of the placement of their children in a structured English immersion program and shall be notified of an opportunity to apply for a parental exception waiver. (Education Code 310; 5 CCR 11309)

A parent/guardian may request that the district waive the requirements of Education Code 305, pertaining to the placement of a student in a structured English immersion program if the one of the following circumstances exists:

1. Students who already know English: The student already possesses good English language skills, as measured by standardized tests of English vocabulary comprehension, reading and writing, in which the student scores at or above the state average for his/her grade level or at or above the fifth-grade average, whichever is lower. (Education Code 311(a))
2. Older students: The student is age 10 years or older, and it is the informed belief of the Superintendent/Principal and educational staff that an alternate course of study would be better suited to the student's rapid acquisition of basic English skills. (Education Code 311(b))
3. Students with special needs: The student already has been placed, for a period of not less than 30 calendar days during that school year, in an English language classroom and it is subsequently the informed belief of the Superintendent/Principal and educational staff that the student has special physical, emotional, psychological or educational needs and that an alternate course of educational study would be better suited to the student's overall educational development. (Education Code 311(c))

The parent/guardian shall personally visit the school to apply for the waiver. (Education Code 310)

AR 6174(d)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

Upon request for a waiver, the Superintendent/Principal or designee shall provide to the parents/guardians: (Education Code 310, 311; 5 CCR 11309)

1. A full written description, and a spoken description upon request, of the intent and content of the structured English immersion program, any alternative courses of study and all educational opportunities offered by the district and available to the student, and the educational materials to be used in the different educational program choices
2. For a request for waiver pursuant to Education Code 311(c) for students with special needs, notification that the student must be placed for a period of not less than 30 calendar days in an English language classroom and that the Superintendent/Principal must approve the waiver pursuant to Board of Trustees guidelines

Pursuant to Education Code 311(b) and 311(c), the Superintendent/Principal and educational staff may recommend a waiver to a parent/guardian for a student 10 years or older and a student with special needs. Parents/guardians shall be informed in writing of any recommendation for an alternative program made by the Superintendent/Principal and staff and shall be given notice of their right to refuse to accept the recommendation. The notice shall include a full description of the recommended alternative program and the educational materials to be used for the alternative program as well as a description of all other programs available to the student. If the parent/guardian elects to request the alternative program recommended by the Superintendent/Principal and educational staff, the parent/guardian shall comply with district procedures and requirements otherwise applicable to a parental exception waiver, including Education Code 310. (5 CCR 11309)

When evaluating waiver requests pursuant to Education Code 311(a) for students who already know English and other waiver requests for those students for whom standardized assessment data are not available, other equivalent assessment measures may be used. These equivalent measures may include local assessments, local standards and teacher evaluations.

Parental exception waivers pursuant to Education Code 311(b) for students 10 years or older shall be granted if it is the informed belief of the Superintendent/Principal and educational staff that an alternate course of educational study would be better suited to the student's rapid acquisition of basic English language skills. (Education Code 311)

Parental exception waivers pursuant to Education Code 311(c) for students with special needs shall be granted if it is the informed belief of the Superintendent/Principal and educational staff that, due to the student's special physical, emotional, psychological or educational needs, an alternate course of educational study would be better suited to the student's overall educational development. (Education Code 311)

AR 6174(e)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

The Superintendent/Principal shall consider all waiver requests made pursuant to Education Code 311(c) for students with special needs and shall develop a rationale of the decision regarding the waiver. When determining whether or not to approve a waiver request, the

Superintendent/Principal shall assume that the facts justifying the request attested by the parent/guardian are a true representation of the child's condition.

Each waiver shall be considered on its individual merits with great deference given to parental preference for student placement.

The Superintendent/Principal or designee shall act upon all parental exception waivers within 20 instructional days of its submission to him/her. However, parental waiver requests pursuant to Education Code 311(c) for students with special needs shall not be acted upon during the 30-day placement in an English language classroom. These waivers shall be acted upon no later than 10 calendar days after the expiration of that 30-day English language classroom placement or within 20 instructional days of submission of the waiver to the Superintendent/Principal, whichever is later. (5 CCR 11309)

All parental exception waivers shall be granted unless the Superintendent/Principal and educational staff have determined that an alternative program offered at the school would not be better suited for the overall educational development of the student. (5 CCR 11309)

When 20 students or more of a given grade level receive a waiver, the school shall be required to offer such a class; otherwise it must allow the students to transfer to a public school in which such a class is offered. (Education Code 310)

Students wishing to transfer to another district shall be subject to the district's and the receiving district's interdistrict attendance policies and administrative regulations.

(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5117 - Interdistrict Attendance)

In cases where a parental exception waiver pursuant to Education Code 311(b) or (c) is denied, the parent/guardian shall be informed in writing of the reason(s) for the denial and advised that he/she may appeal the decision to the Board if the Board authorizes such an appeal, or to the court. (5 CCR 11309)

Waiver requests shall be renewed annually by the parent/guardian. (Education Code 310)

Reclassification/Redesignation

The district shall continue to provide additional and appropriate educational services to English language learners for the purposes of overcoming language barriers until the English language learners have: (5 CCR 11302)

AR 6174(f)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

1. Demonstrated English language proficiency comparable to that of the district's average native English language speakers

2. Recouped any academic deficits which may have been incurred in other areas of the core curriculum as a result of language barriers

English language learners shall be redesignated as fluent English proficient when they are able to comprehend, speak, read and write English well enough to receive instruction in the regular program and make academic progress at a level substantially equivalent to that of students of the same age or grade whose primary language is English and who are in the regular course of study. (Education Code 52164.6)

The following measures shall be used to determine whether an English language learner shall be reclassified as fluent English proficient: (5 CCR 11303)

1. Assessment of English language proficiency utilizing the CELDT as the primary criterion, and objective assessment of the student's English reading and writing skills
2. Participation of the student's classroom teacher and any other certificated staff with direct responsibility for teaching or placement decisions
3. Parent/guardian opinion and consultation during a redesignation interview

Parents/guardians shall receive notice and a description of the redesignation process, including notice of their right to participate in the process. Parent/guardian participation in the process shall be encouraged.

4. Comparison of performance in basic skills, including performance on the English-Language Arts section of the California Standards Test
5. Objective data on the student's academic performance in English

The Superintendent/Principal or designee shall provide subsequent monitoring and support for redesignated students, including but not limited to monitoring the performance of redesignated students in the core curriculum in comparison with their native-English speaking peers, monitoring the rate of redesignation, and ensuring correct classification and placement.

The Superintendent/Principal or designee shall develop a process to monitor the effectiveness of the district's program for English language learners. The district's program shall be modified as needed to help ensure language and academic success for each English language learner.

AR 6174(g)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

Advisory Committees

When there are more than 20 English language learners in the school, a parent/guardian advisory committee shall be maintained to serve the advisory functions specified in law. (5 CCR 11308)

Parents/guardians of English language learners shall constitute committee membership in at least the same percentage as their children represent of the total number of students in the school. (Education Code 52176)

The district's English language advisory committee shall advise the Board on at least the following tasks: (5 CCR 11308)

1. The development of a district master plan of education programs and services for English learners, taking into consideration the school site plans for English learners
2. Establishment of a district program, goals and objectives for programs and services for English learners
3. Development of a plan to ensure compliance with applicable teacher or aide requirements
4. Administration of the annual language census
5. Review of and comment on the district's reclassification procedures
6. Review of and comments on the written notification required to be sent to parents/guardians pursuant to 5 CCR 11300-11316

(cf. 0420 - School Plans/Site Councils)
(cf. 1220 - Citizen Advisory Committees)
(cf. 5020 - Parent Rights and Responsibilities)
(cf. 6020 - Parent Involvement)

In order to assist advisory members in carrying out their responsibilities, the Superintendent/Principal or designee shall ensure that committee members receive appropriate training and materials. This training shall be planned in full consultation with the members. (5 CCR 11308)

CAREER TECHNICAL EDUCATION

Cautionary Notice: As added and amended by SBX3 4 (Ch. 12, Third Extraordinary Session, Statutes of 2009) and ABX4 2 (Ch. 2, Fourth Extraordinary Session, Statutes of 2009), Education

Code 42605 grants districts flexibility in "Tier 3" categorical programs. The Chualar Union Elementary School District has accepted this flexibility and thus is deemed in compliance with the statutory or regulatory program and funding requirements for these programs for the 2008-09 through 2012-2013 fiscal years. As a result, the district may temporarily suspend certain provisions of the following policy or regulation that reflect these requirements. For further information, please contact the Superintendent/Principal or designee.

The Board of Trustees desires to provide a comprehensive career technical education (CTE) program in grades 7-8 which integrates core academic instruction with technical and occupational instruction in order to increase student achievement, graduation rates, and readiness for postsecondary education and employment. The district's CTE program shall be designed to help students develop the academic, career, and technical skills needed to succeed in a knowledge- and skills-based economy. (cf. 6143 - Courses of Study)
(cf. 6200 - Adult Education)

The Board shall review and approve all district plans and applications for the use of state and/or federal funds supporting CTE.

The Board shall adopt standards for CTE which meet or exceed the state's model content standards and describe the essential knowledge and skills that students enrolled in these courses are expected to master. The course curriculum shall be aligned with district-adopted standards and the state's curriculum framework.

(cf. 6011 - Academic Standards)
(cf. 6141 - Curriculum Development and Evaluation)

The Superintendent/Principal or designee shall develop partnerships with local businesses and industries to ensure that classroom instruction has real-world relevance and reflects labor market needs and priorities. He/she also shall work to develop connections with employers to provide students with work-based learning opportunities.

(cf. 1700 - Relations Between Private Industry and the Schools)
(cf. 5113.2 - Work Permits)
(cf. 6178.1 - Work Experience Education)

BP 6178(b)

CAREER TECHNICAL EDUCATION (continued)

The Superintendent/Principal or designee shall ensure that teachers of CTE courses possess the qualifications and credentials necessary to teach their assigned courses. He/she also shall provide teachers and administrators with professional development designed to enhance their knowledge of standards-aligned CTE and ways to integrate technical and occupational instruction with academic instruction.

(cf. 4112.2 - Certification)
(cf. 4131 - Staff Development)
(cf. 4331 - Staff Development)

The district shall provide services to support students in the CTE program, including comprehensive career guidance and academic counseling. The Superintendent/Principal or designee shall provide counselors with professional development that includes, but is not limited to, information about current workforce needs and trends, requirements of the district's CTE program, work experience opportunities, and postsecondary education and employment options following high school.

(cf. 5145.6 - Parental Notifications)
(cf. 6164.2 - Guidance/Counseling Services)

The Superintendent/Principal or designee shall regularly assess district needs for facilities, technologies, and equipment to increase students' access to the district's CTE program.

(cf. 0440 - District Technology Plan)
(cf. 3440 - Inventories)
(cf. 3512 - Equipment)
(cf. 7110 - Facilities Master Plan)

(20 USC 2302, 2354, 2373)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Prior to the beginning of each school year, the Superintendent/Principal or designee shall advise students, parents/guardians, employees, and the general public that all CTE opportunities are offered without regard to race, color, national origin, sex, or disability. (34 CFR 104.8, 106.9)

BP 6178(c)

The above notification shall be disseminated in languages other than English as needed and shall state that the district will take steps to ensure that the lack of English language skills will not be a barrier to admission and participation in the district's CTE program. (20 USC 2354)

Advisory Committee

The Board shall appoint a CTE advisory committee to develop recommendations on the district's CTE program and to serve as a liaison between the district and potential employers. The committee shall consist of one or more representatives of the general public knowledgeable about the disadvantaged; students; teachers; business; industry; school administration; and the field office of the California Department of Employment Development. (Education Code 8070)

(cf. 1220 - Citizen Advisory Committees)

COMMUNITY DAY SCHOOL

Cautionary Notice: As added and amended by SBX3 4 (Ch. 12, Third Extraordinary Session, Statutes of 2009) and ABX4 2 (Ch. 2, Fourth Extraordinary Session, Statutes of 2009), Education Code 42605 grants districts flexibility in "Tier 3" categorical programs. The Chualar Union Elementary School District has accepted this flexibility and thus is deemed in compliance with the statutory or regulatory program and funding requirements for these programs for the 2008-09 through 2012-2013 fiscal years. As a result, the district may temporarily suspend certain provisions of the following policy or regulation that reflect these requirements. For further information, please contact the Superintendent/Principal or designee.

The Board of Trustees recognizes the need to provide an appropriate alternative educational program for expelled students who are prohibited from attending the regular school in the district and for certain students referred by probation or district processes. The district shall operate one or more community day schools designed to meet the needs of these students. The Superintendent/Principal or designee shall ensure that any such school is operated in accordance with legal requirements related to enrollment, instructional time and facilities.

The Board perceives the community day school as a flexible component of a comprehensive effort to meet the needs of expelled and other at-risk students throughout the county. The Superintendent/Principal or designee shall solicit input from the County Superintendent of Schools and neighboring districts when designing the district community day school and shall collaborate with them in fulfilling countywide needs.

In order to foster positive attitudes and academic progress, the Board recognizes that community day schools must give students substantial individual help with their problems. Community day school staff shall collaborate with district counselors, psychologists, and other support staff and with the county office of education, law enforcement, probation, and human services agency staff who work with at-risk youth. To the extent possible, community day school programs shall provide a low student-teacher ratio as well as individualized instruction and assessment.

(cf. 1020 - Youth Services)
(cf. 5149 - At-Risk Students)
(cf. 6164.2 - Guidance/Counseling Services)

The Superintendent/Principal or designee shall establish procedures for the involuntary transfer of students to a community day school in accordance with law and administrative regulation.

(cf. 5113 - Absences and Excuses)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

The Superintendent/Principal or designee may require community day school students to attend school for up to seven days each week in a directed program designed to provide students with the skills and attitudes necessary for success when they are returned to a regular school environment.

Cautionary Notice: As added and amended by SBX3 4 (Ch. 12, Third Extraordinary Session, Statutes of 2009) and ABX4 2 (Ch. 2, Fourth Extraordinary Session, Statutes of 2009), Education Code 42605 grants districts flexibility in "Tier 3" categorical programs. The Chualar Union Elementary School District has accepted this flexibility and thus is deemed in compliance with the statutory or regulatory program and funding requirements for these programs for the 2008-09 through 2012-2013 fiscal years. As a result, the district may temporarily suspend certain provisions of the following policy or regulation that reflect these requirements. For further information, please contact the Superintendent/Principal or designee.

2. The student is probation-referred pursuant to Welfare and Institutions Code 300 and/or 602.

These priorities are applicable unless the district has an agreement that the County Superintendent of Schools shall serve any of the above students. (Education Code 48662)

In the case of any student who has been identified as eligible for services under the federal Individuals with Disabilities Education Act or Section 504 of the federal Rehabilitation Act of 1973, assignment to a community day school shall be first approved by the student's Individualized Education Program (IEP) team or school committee (e.g., student study team) as required by law.

At least 10 calendar days prior to the involuntary transfer of a student as a result of a district referral process, the Superintendent/Principal or designee shall provide written notice of the transfer to the student's parent/guardian or to the adult student age 18 or older. The notice shall contain a statement of the facts and circumstances upon which the transfer is based, its duration, and the conditions for readmission. In addition, the notice shall also state that the parent/guardian or adult student has five school days to request a meeting with the Superintendent/Principal or designee to discuss the transfer.

If the Superintendent/Principal designates an individual to represent the district at the meeting, the individual so designated shall not be a member of the staff of the school.

At the meeting, the reason for the transfer shall be reviewed with the parent/guardian or adult student and the parent/guardian or adult student may present evidence on the student's behalf.

The Superintendent/Principal or designee shall send the parent/guardian or adult student written notice of the decision to transfer or not transfer within three school days of the meeting.
